

Third Grade News

May 30, 2008

Link-Its Fourteen students in our class met the goal of reading eight books this semester, and received certificates for their accomplishments. Third graders from both classes celebrated with a Link-It party. Our guest was Mrs. Cindy Naberhaus, who presented a balloon demonstration and made interesting balloon animals for students. Our party was topped off with ice cream sundaes. Our class finished the year having read 738 books! Congratulations, third grade readers!

Star Serena was our "star" this week. She shared pictures of her family. She has two older sisters and one older brother. Her favorite toys are her stuffed animals, and she brought her favorite, Miss Bunny. She also enjoys playing with her Game Boy. Some of her other favorites are: color - blue, food – pizza, macaroni and cheese, and vanilla ice cream. Her favorite place to go is to the pool. Her hobbies are biking and running, and the sport she likes is dodge kickball. She has two pet kittens. Thank you, Serena, for sharing with us.

Fall Fun Run The Annual NEW 200 Fun Run will take place at Hubble Middle School on Saturday, September 20, at 10:00 a.m. Please mark the date on your calendar and consider participating and/or volunteering.

What we did this week. This week the class finished the novel, The Chocolate Touch, and had an open-book test on it. The class also finished a study of Wheaton history and made a booklet of some of the highlights. The students have also been learning about our national government in social studies. In language they had a lesson about analogies, and in math they had several assignments using calculators. Students will have a recorder test in music on Monday.

Exploremore Day The children had a wonderful time yesterday. They eagerly shared what they did in the classes they attended. Thank you, each one, for helping to make this a memorable day for the students!

Important Dates:

- | | | |
|--------------------|---|---|
| June 3 (Tuesday) | - | Last Full Day,
Awards Assembly for K-4 at 2:30 |
