

5th Grade Friday Note

News from Mrs. Romberg's Class

May 30th, 2008

Thank you to all who made Exploremore Day another smashing success! An incredible number of talented and generous volunteers made Thursday fun and engaging for all the children. Emerson is indeed lucky to have so many people willing to volunteer their time and efforts. What a great community event!

We did not go to Fox Bowl as expected today. There was a tornado warning issued and so we made the decision in the morning, in the interests of your child's safety, to postpone. We will be going on Monday morning instead for our "End of Emerson" celebration.

I hope you got the math placement letter from Monroe that we sent home this week. The letter informs you which math group your child will be in next year. Don't forget to go to the Monroe registration day on August 14th from 8am - 1pm.

Mark your calendars! The N.E.W. 200 Foundation will hold its 3rd Annual Fun Run on Saturday, September 20th, 2008 at

Hubble Middle School. We are hoping for a great turnout of Emerson & Monroe families!

One final date for your calendar:
June 4th - Last day of school - 5th Grade Awards Assembly starts at 10:00 am.
4th quarter Report Cards will be coming home on Wednesday.

Have a wonderful weekend and see you at the awards ceremony on Wednesday! Mrs. Wilson and I will be joining you for lunch at Gino's East after the ceremony.

Finally, THANK YOU all for such a terrific year in 5th grade. It has been a great pleasure to work with your kids. I am very proud of how hard the students have worked. They have grown immensely both socially and academically. I will miss them. Thank you for the support and encouragement of your children and Emerson. You help create and maintain such a wonderful learning environment. I wish you all the best as you and your child make the transition to Monroe in the fall!
